

## Avenger Weekender RV

Our Avenger Series Weekender is designed for weekly RV van travel or a luxurious camper for safe weekend getaways. Our weekenders can carry up to 6 passengers and as few as 4 passengers. With dual 48" long sofas you and your family can sleep and travel in comfort.

We can also design our Avenger Series to carry wheelchair passengers for our customers who are looking for a custom mobility van conversions. If you are in the market for a custom mobility van or weekender van conversions of any sort, Prime-Time has the vehicles for you that outperform all of our competitors through price, and lasting quality.

By choosing Prime-Time you can rest easily knowing your vehicle will be handled with proper care, and built to last for years after your purchase.
